PASR Butler President's Message

On the TV show *NCIS*, Special Agent Leroy Jethro Gibbs provides words to live by in the form of "Gibbs' Rules". Some are based on being an agent; some on being in the Marines; some on life. Rule #28 (from season 9), applies to us:
When you need help, ask.

For the last month, my computer and I have been in "negotiations", and I kept coming out on the short end. It kept insisting that I did not have enough memory space, even with an external drive and a new jump drive inserted. Last month my virus protection expired so I renewed it but it wouldn't let me install. Last straw came yesterday when it wouldn't even let me drag a file from the computer to either storage place.

SEPTEMBER 2025

I acquired my first home computer in 1984 and have some strong computer skills for what I need to do, but this memory mess was over my head. So, this morning I spent three hours at Staples in Butler, time very well spent. He said that I was on the right track, but it took the expert time to figure out how to proceed forward and restore order. It was a slow process but now all is happy.

As we age, we all find ourselves in situations that we used to be able to quickly handle, but now feelings of being overwhelmed sometimes stop us as we try to rectify what should be simple – or used to be.

It's OK to ask for help from family, from friends, from experts, from a social group, even an attorney.

Rules Change. The way forward isn't always the way it has always been. Sometimes we need help to find the new path. **When you need help, ask.**

New Senior Driver License Rules Take Effect July 2025: What Pennsylvania Drivers Need to Know

Starting in July 2025, a new federal law changes how older Americans renew their driver's licenses and Pennsylvania seniors should take note. With the senior population growing, this law aims to balance public safety with individual independence, especially as age-related changes like slower reaction times and vision issues may affect driving ability.

Here's What's Changing

New License Renewal Rules by Age

Age 70–80: Must renew every 4 years, in person, with a vision test.

Age 81–86: Must renew every 2 years, with a vision test and possibly a cognitive assessment if there are concerns about memory, confusion, or decision-making ability.

Age 87+: Must complete an annual road test to retain driving privileges.

(continued next page)

Vision and Cognitive Testing

All seniors will be subject to vision testing. A cognitive exam may also be required if a physician or PennDOT identifies warning signs (such as early-stage Alzheimer's or effects from a stroke).

Annual Road Tests for Drivers Age 87+. Once a driver turns 87, they'll need to pass a behind-the-wheel test every year even if they feel healthy and capable. This ensures driving ability is up-to-date and minimizes the risk of serious accidents.

What About PA Implementation?

Although this is a federal mandate, Pennsylvania will implement it with some local discretion. Seniors and their families should be prepared for state-specific requirements as PennDOT finalizes its policies.

Bottom Line:

These changes are about safety, not punishment. Seniors who can still drive safely will be allowed to do so but regular assessments will help catch risks before accidents happen.

Chapter Goals and Activities

PASR has established Chapter Goals and Activities. At our August Executive Committee meeting, we reflected on the second one. Goals and Activities are a good tool for reflection of our effectiveness. Let's reflect on this together at the September meeting which begins at 11:00.

GOAL 2: Expand/Improve Social Opportunities for Members

Activity #1 — Conduct and Publicize Chapter Recreo Events The Recreo Committee is encouraging chapters to conduct and publicize a chapter Recreo event in the December PASR Newsletter, as well as online on the PASR Recreo calendar.

Activity #2 — Promote Participation in the State Recreo Event The Recreo Committee is encouraging chapters to include an article in their local newsletters and put it on their website/social media site, and/or invite a Boscov's representative to their local chapter meetings, to promote participation in the annual statewide Recreo event.

Activity #3 — Develop and Submit a Plan for Chapter Activities The Board of Directors is encouraging chapters to develop a plan for chapter activities for the year, including multiple social events. List all planned activities and not simply a schedule of meetings.

Activity #4 — Conduct New Retiree Welcome Event The Retirement Planning Committee is encouraging chapters to conduct a special event (such as picnics, breakfasts, etc.) just for former school employees (nonmembers) who retired during the past five years and not simply invite the retirees to attend a regular chapter event.

Remember that we now begin at 11:00 for our meeting. Luncheon is 11:45 followed by our program from Butler Coffee Lab at 12:30.

Our program:

Terry Kaiserman will bring coffees to sample!

**BUTLER COFFEE LAB
& HOT POD**

Butler Coffee Lab began with a simple yet powerful idea: to start each day with a truly great, flavor-filled cup of coffee. Our journey started with a conversation about how we could give back to our community in a meaningful way. Inspired by a local coffee shop that employs individuals with intellectual and developmental disabilities (IDD), we envisioned a similar purpose. Driven by that inspiration, we created a unique brand of infrared-roasted coffee and other beverages that our employees can proudly package in a safe, supportive environment.

Looking ahead:

As the **ONLY ORGANIZATION THAT ADVOCATES SOLELY FOR RETIRED STATE EMPLOYEES**, PASR is tirelessly working to secure a long overdue and well-deserved Cost of Living Adjustment (COLA) for all PSERS annuitants to help them to be able to enjoy a dignified retirement. To view recent information regarding PASR's efforts to secure a COLA and other legislative updates of significance, please go to the website at pasr.org. Scroll down to News and Legislative/COLA Updates and click at the end for a report.

Have you contacted your senator to express your encouragement? The inside page has links to messages to reach your legislators easily, or write your own letter.

Upcoming Vacancies:

Butler is part of Region 8, an even numbered region, so our terms of office end in even numbered years.

This can be your opportunity to share in local leadership and volunteer with meaningful work and activities.

President: Polly's term ends Dec. 2026. Election will be September 2026.

President-elect is currently vacant, so that position needs to be filled.

Newsletter editor and Webmaster, currently managed by Polly, will be vacant.

Region 8 Director: As Butler President, Polly attends Region 8 meetings (twice yearly) and that elected term will end Dec. 2026. Region 8 has three chapters, Beaver, Butler, and Mercer. That position will be vacant and is elected from those on Region Board.

Training occurs annually via Zoom, organized by the PASR Leadership Development Committee. 2025 Leadership Zooms **11/18/25**: 10am Committee Operations & Staff Introduction; 1pm: Finance Training for Region and chapter treasurers: Diane and Jack **11/20/25**: 10am Presidents' Handbook: Polly and Kathy; 1pm How to Best Run a Meeting. *Register and attend via Zoom, just to get the bigger picture.*

PASR Fundraiser:

At the Sept. 24 meeting, there will be green PASR Fundraiser tickets for sale. The donation is \$20. Each ticket is numbered. All numbers are played straight as drawn. The winning number is determined by the 7:00 PA State Daily Number drawing during February 2026. All cash winnings will be determined by the amount of prize money indicated on the date shown on the ticket. PROCEEDS FROM THIS FUNDRAISER WILL BE USED TO SUPPORT COSTS FOR THE SSMHF. Winners will receive their checks in the mail. Daily prizes are between \$300 - \$500, according to the ticket list.
